

# Percussion Supplies

CONGRATULATIONS on being selected for the percussion class! All of the percussion instruments are extremely expensive, and therefore, are provided by the school for a \$50/year instrument rental fee. This covers the usage of the multiple instruments students will be learning to play. It pays for the purchase of new instruments when needed, and the replacement of drum heads. The Instrument rental fee will be due in August.

Below is the information on the accessories your child will need for band class next year! Each item has been carefully selected to be the best value accessory for you to purchase that will help your child get started with the BEST chance of being successful!
